Chugach will review responsive Bids and may select a Bidder that, in Chugach's sole and absolute discretion, represents the best overall value to Chugach. Chugach reserves the right, in its sole and absolute discretion, to define and waive irregularities, to accept or reject any or all Bids, in whole or in part, and to reissue, withdraw, modify, or cancel the project in its entirety, or in part, for any reason, including without limitation its subsequent determination to perform all or a portion of the work in-house, without incurring any liability of any type or nature to any Bidder, including but not limited to any costs associated with the preparation and submittal of any Bid. Should Chugach decide to proceed with the project and enter into a contract with a Bidder, the selected Bidder shall enter into a contract that is substantially similar to the form provided, except as otherwise agreed to by Chugach, and shall perform work and provide services in accordance with the terms of such contract.

The objective of the Bid process is to select a highly qualified Contractor with the capability (technical, financial, and managerial) and experience necessary to successfully undertake and complete the construction of the Work. Respondent submittals will be evaluated in accordance with the criteria shown below. Responses must include the requested information, in this sequence.
