

CHUGACH ELECTRIC ASSOCIATION, INC.
REQUEST FOR QUALIFICATIONS NO. 24-17

Project Development Consulting

November 21, 2024

Chugach is now soliciting statements of qualifications from experienced consultants in the area of renewable energy project development.

The Consultant's role in this team may include, but not be limited to, the following areas:

- Stakeholder and community engagement
- Power purchase agreement development
- Renewable resource measurement and evaluation
- Development of an investment package
- Marketing to attract potential buyers
- Permitting coordination
- Land acquisition coordination
- Major equipment selection participation
- Site suitability assessment

The other team members will contribute engineering services and system (grid) engineering, and the Consultant will assist the Chugach program manager in guiding those activities as needed to create a project which can be sold.

This RFQ and all attachments are available at Chugach's website under the following:
