

CHUGACH ELECTRIC ASSOCIATION, INC.
REQUEST FOR QUALIFICATIONS NO. 23-15
PHOTOVOLTAIC SOLAR PROJECT

INVITATION TO BID

June 26, 2023

Chugach Electric Association, Inc. (Chugach) is issuing a Request for Qualifications (RFQ) from firms for the design, procurement, installation, and commissioning of a fully integrated and operational solar PV renewable energy system. The Solar system will be installed on the roof of a future two-story building with approximately 34,671 square feet of roof for the purpose of achieving a 165+ kW system capacity. The building will be located at Chugach's South Campus at 5601 Electron Drive. The solar system is anticipated to be constructed during 2024/2025.

To be considered, interested firms must submit Qualifications Statements demonstrating their capability and background in PV project development and installation. Additionally, firms must be registered corporations with the State of Alaska.

This RFQ and all attachments are available at Chugach's website under the following:
